Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An Office Action was mailed in the above-captioned application on June 30, 2008.

Applicant submits that this Office action contains an error that affects applicant's ability to reply to the Office action.

Where the citation of a reference is incorrect or an Office action contains some other error that affects applicant's ability to reply to the Office action and this error is called to the attention of the Office within 1 month of the mail date of the action, the Office will restart the previously set period for reply to run from the date the error is corrected, if requested to do so by applicant. (M.P.E.P. § 710.06).

The Office action states that the Examiner has found that the application contains two distinct inventions, and has required election of one of the two inventions for prosecution. The groups are as follows:

Group I: claims 1-40 and 83-90, drawn to an oil emulsion; and

Group II: claims 41-82, drawn to a method of making an emulsion.
